> **PART 6: AFFIDAVIT FROM THE PRESIDENT OF THE NATIONAL JURY**

I, _____, the President of the National Jury of _____
(name of the national competition) in _____
(name of the country), notify the Jury of the EU Contest for Young Scientists that, after judging all the project submitted to this year's contest, we put forward the following project(s):

1. _____ by _____
2. _____ by _____
3. _____ by _____

Justification for the selection of this/these projects:

PROJECT No. 1

PROJECT No. 2

Project No. 3

I would be pleased if the Jury of the EU Contest for Young Scientists could now judge this project in Budapest on the occasion of the 15th EU Contest.

Signed:

Print name:

> PART 7: CERTIFICATIONS AND SIGNATURES

By filling in this application form I certify the following:

1. All contestants named above in PART 2 of this application plan to be present in Budapest, in order for the EU Contest Jury to be able to carry out a proper evaluation of their efforts and, if applicable, of their contribution to the team's achievements.
2. The contestant(s)' application forms have all been properly completed. I have checked the project titles and the abstracts given in Part 2 of this form.
3. The written project and accompanying illustrations do not exceed the defined project length.
4. The project(s) was(were) submitted by the contestant(s) named in PART 2 of this application. The project(s) was(were) judged by the Jury of our National Young Scientists Competition, held during 2002-2003, to be worthy of taking part in the 15th EU Contest representing that National Competition.
5. The contestant(s) mentioned in PART 2 of this form will be accompanied by the person mentioned in PART 4. I understand that the European Commission, through the exclusive travel arrangements drawn up by the Hungarian Host National Organiser, will meet the costs of the economy class ticket for this international travel, for the persons mentioned in PART 2 and 4 of this application form. I recognise that any additional transport and shipping charges not covered in the normal cost of the direct air or train fare will be met by of my organisation.
6. I undertake to ensure that the project display materials of the contestants in my charge will arrive at the EU Contest in time to be displayed at the exhibition, and that all materials will be re-exported at the end of the Contest.
7. I confirm that the project(s) submitted comply with the EU Contest Rules that entered in force on 31 March 1998 as amended on 7 December 2001. I acknowledge that if the entry is at any time found to violate the agreed rules of the Contest, this may lead to the contestant(s)' exclusion.

8. In particular, I have carefully checked that the project(s) I am sending to the 15th EU Contest for Young Scientists comply with the following articles of the EU Contest Rules and Procedures:

- Article 9. All the contestants have been designated by the Jury of the respective national contest to present their project at the EU Contest.

- Article 10. The contestants:
 - were born between 1st January 1983 and 20th September 1988.
 - have not completed more than one year of higher education studies at the time of the Contest, and have completed their project BEFORE entering university.
 - have not previously participated in the EU Contest, even if the project intended for presentation is different.

- Article 15. If the projects have led to publications, patents, or trademarks, the relevant documents are attached to the written project or have somehow been made available to the Jury.

- Article 19. The project I am presenting do not, to the best of my knowledge, involve invasive experiments with living animals.

I certify that, to the best of my knowledge, all the information given in this application form is true.
